CALL ON WILSON

boy tell from the ladder and was badly burt, suffering the fracture of some bones.

Did Not Explain.

A teacher in one of the public schools wishes to impress upon the minds of her pupils the circumstance from which Licean Sea received its anner so she to the first the contract of the return of his son Thesens, who had gone torth to slay the Minotaur. 'It was agreed,' said the teacher, 'that if Thesens was victorious in his encounter suith the monster a turning vessel, but fife had been slain a black sail should be raised. By some imapprehension of this agreement the sailors on loard of the vessel of the conquering her or raised the black sail, and been distributed to the sailors on loard of the vessel of the conquering her or raised the black sail, and been electroyed, and giving way to the grief that here this, three himself into the sea, which was thereafter manned' and the teacher passed muttingly for some bright is holer to draw the proper in the teach of the sailors of the way that the teach of the conquering her or that the contracture of the contracture of the sailors of the way to the grief that here him, three himself into the sailors of the vessel of the conquering her or also the black sail, and the teach is the contracture of the cont

A Society Woman's Letter.

A grid who had taken the position of summissions to a warm variety woman was assed bow she lined the situation.

Well, the said, "after being in a business older I find it rather difficult to accusion mysel to this particular kind of work."

"Well, for instance, Mrs. B.— has a way of dictating her letters very rapidly, interspersing them with explanatory continents and sometimes I have found it difficult to separate the chaff from the but that do no good, and finally, after we had peached a point of some familiarity, I showed her, by practical demonstration, that this was not the best method of dictation.

I showed her, by practical demonstra-tion, that that was not the best method of dictation.

"Oh, I once put in everythingshe said, and she was so annued at the result as never to longet the lesson. She let me keep the letter as a curiosity." It did not require much organg to in-ited and require much organg to in-read as follows:

"My clear Mrs. Joy.—I deeply regret that I must decline your kind invitation.

"She has invited me to a lunch parry, and I am sorry to miss it, for she has a "I know well how successful your par-ties always are— "Except that one when Colonel Piper "Except that
